Mr. E. B. McCormick,
Cherry Tree, Pa.

Dear Sir:-

The American Journal of Numismatics is published only once a year, and the price is five dollars a copy. As it is a scientific discussion of numismatic material, you would probably find that the Numismatist, a monthly magazine, (subscription price \$1.50 a year, and issued by the American Numismatic Association, Mr. Frank C. Duffield, Editor, 1811 Mosher Street, Baltimore, Maryland,) would be more nearly what you want, and I suggest that you communicate with him. I am returning your stamps.

Very truly yours,

Assistant to Curator.
